

PERSONAL INJURY

We bring over 100 years of combined trial experience in service to our clients. Through both settlement and jury verdicts we have resolved millions of dollars of claims in our clients' favor. We believe that a favorable outcome for you comprises just a portion of our service to you. The other portion, not to be overlooked, is our work with you while the case is in progress. We are committed to listening to you and understanding your objectives; we pride ourselves on returning calls promptly and meeting with you throughout the process; and we will work with you to craft effective and imaginative strategies to reach your goals. We employ a team approach with each case and that means we can respond to you promptly and knowledgeably at all times.

Areas of Expertise include:

- Traumatic Injuries
- Toxic Torts
- Mold and Sick Building Cases
- Construction Site Accidents
- Workplace Injuries
- Vehicle Accidents
- Dangerous Products
- Wrongful Death
- Pedestrian Accidents
- Slip and Fall Injuries
- Class Actions

WORKERS' COMPENSATION

For more than twenty-five years, we have provided effective and imaginative representation for clients in all phases of workers' compensation proceedings. Our team approach enables us to respond to you promptly and knowledgeably as your needs demand. We are committed to listening to you, understanding your objectives, and fashioning winning strategies to reach those goals.
