

ABOUT THE FIRM

Lambert Coffin, formed in 1986, is a full service law firm located in Portland, Maine. Providing superior legal service to every client of the firm is our number one goal. The lawyers of Lambert Coffin represent a diverse group of clients – including individuals, entrepreneurs and both local and national corporations – in an eclectic practice with a reputation for solving legal problems creatively and quickly. We define our success through the success of our clients.

The firm concentrates its practice in a number of specific fields of law, but attorneys with different specialties routinely collaborate, guaranteeing the most effective coverage of each client's legal needs. Our collegial atmosphere gives us the flexibility to allocate resources. On occasion, as many as six lawyers and three paralegals have concentrated on a single large project in order to ensure prompt, forceful, and effective litigation. In addition, our substantial investment in technology permits us to work effectively with clients and counsel far beyond Maine. Our practice areas are:

- Civil Litigation
- Corporate, Commercial and Banking
- Creditors' Rights and Bankruptcy
- Employment Practices and Labor
- Estate Planning, Probate, and Will Contests
- Governmental Relations
- Intellectual Property
- Personal Injury
- Professional and Products Liability
- Real Estate
- Workers' Compensation

At Lambert Coffin, we're proud of our accomplishments on behalf of our clients. We look forward to the challenge of serving your legal needs.
